Jokes with Rescuers.

"I guess abe Ruer is, in almost as used a hole as I am. All that I think i got it on him, for now I can sleep like a set since of relows filled me up on this diluted food. Say I'd give set for a good beofsteak or a fat King's River pullet."

Lat hiely as the crisis of his rescient clopics approached and the horizons eligits approached and the horizons of his ordeal accumulated upon him he has lost his cheerininess and his nerve has sarged. The five deal bodies near him have vitlated the all he breathes and filled his sleep with nightnerses. Now and then he means through the pipe:

"Jim's footing is slipping down through the ledge, I can't see it, but I can feel, it's coming down in hear grange things here in this hell-black tocket." Now and then he will pick up courin the ragion about Bakershaid but throughout California. The shares employed by the Edison Electric dompany. was taken to dedicate the dedic
